

The Ultimate Destination for u-blox Nordic-Based Bluetooth LE Solutions

www.symmetryelectronics.com | 866-506-8829 | info@symmetryelectronics.com

Nordic Chipsets

u-blox Modules

Modules mapped to Nordic's industry-leading Bluetooth chipsets

u-blox is a Nordic Semiconductor Solution Partner for Bluetooth Direction Finding

u-connectLocate - Bluetooth Angle-of-Arrival (AoA) angle data

High performance PCB trace antenna (NINA and NORA series)

Ongoing global certification

Ultra-compact modules

Short range wireless made easy - Wi-Fi, Bluetooth, and multi-radio connectivity with and without embedded MCUs

u-connectXpress AT command software - Eliminate complex software development and costly redesigns
